ICSEC 2017

The 21st International Computer Science and Engineering Conference 2017

November 15-18, 2017

Swissôtel Le Concorde, Bangkok, Thailand

The 21st International Computer Science and Engineering Conference (ICSEC 2017) is the premier international conference which is successively scheduled for over twenty years. This year ICSEC 2017 is hosted by Department of Computer Engineering, Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang, Thailand. The conference aims to be an international forum for presentation of technological advances and research results in the field of Computer Science and Engineering, including various applied sciences of related fields. Four days of the conference contain the interesting talks from famous keynote speakers, high-quality research presentations, and advanced workshop from the international research communities. Prospective authors are invited to submit original full papers of four to six (4-6) pages in standard IEEE two-column format. Accepted papers will be published in the Proceedings of ICSEC2017 and will be submitted for inclusion into IEEE Xplore (IEEE Catalog Number: CFP171BE-ART (IEEE Xplore compliant) ISBN: 978-1-5386-0787-9). The IEEE provides SCOPUS with the entire IEEE Xplore digital library content so that the bibliographic information (what is seen on an abstract page in IEEE Xplore) can be made visible. Acceptance will be based on quality, relevance, and originality.

ICSEC 2017 Topics includes, but are not limited to, the following topics:

- Database and Information Retrieval
- Software Engineering and Software Development
- Image Processing and Computer Vision
- Human Computer Interaction and VR
- Cloud Computing
- Ontology and Semantic Web
- Internet of Things and Embedded Systems
- IT Architecture and Security
- Parallel and Mobile Computing
- IT Project and IT Service Management
- Computer Networks and Communications
- Machine Learning and Intelligent Systems
- Music and Multimedia Engineering

Special session, workshop, forum or any related matters can be proposed by sending a proposal to secretary@iesec2017.org or Special Session Chairs.
